Uh, so... hey.

**HAVE YOU SEEN  
THIS HAMMER?**

Sorry -- we're getting ahead of ourselves. See, Sonic and his friends have been having some awesome comic adventures in the first two issues. (But you knew that already because you've been reading -- right? RIGHT?!) You know how it goes -- foiling Dr. Eggman's schemes, fighting giant robots, learning important lessons about friendship and trust that will promptly be forgotten...

But Amy lost her hammer. No -- you don't understand -- she lost her hammer!

**And that's a big deal...**
